1 Tes 3:9-13

Maak plek vir God se liefde

Ek wil graag vir jou 'n prentjie skets. Dink aan daardie een familielid vir wie jy die liefste is, die persoon met wie jy altyd lekker gesels en baie tyd saam spandeer. Vir my is dit my broer.

Ons het dieselfde belangstellings, lag oor dieselfde goed en verstaan mekaar sonder woorde. Maar, soos enige naby verhouding, baklei ons ook soms.

Daar is dae dat ek só kwaad vir hom raak dat ek hom eerder wil vermy. Tog is hy steeds een van die mense vir wie ek die meeste omgee. Ek bid vir hom, wens hom die beste toe en voel sleg as dit met hom sleg gaan.

Dis die liefde wat ons almal ken, die liefde tussen mense. In Grieks word dit

"phileo" genoem. Dit is die menslike liefde wat warm en opreg is, maar wat maklik breek wanneer ons seer kry. As iemand ons te na kom, trek ons terug of raak koud teenoor daardie persoon. Dis liefde, maar dis beperk.

Die Bybel praat egter van 'n ander soort liefde, "agape", die liefde wat God vir ons het. Dis 'n liefde sonder voorwaardes, sonder einde en sonder trots. Dis die liefde waarvan Johannes 3:16 praat: "So lief het God die wêreld gehad, dat Hy sy eniggebore Seun gegee het." God het alles opgeoffer vir mense wat Hom keer op keer teleurstel. Wanneer ons sondig, maak dit Hom seer, maar Hy draai nie weg nie. Hy bly getrou, vergewe, en wag met oop arms.

In 1 Tessalonisense 3 word gelowiges aangemoedig om juis hierdie Goddelike liefde vir mekaar te wys. Nie net vir die mense wat ons goed behandel nie, maar ook vir dié wat ons seermaak. Dis nie maklik nie. Soms lyk dit selfs belaglik om weer te vergewe, om sag te bly teenoor iemand wat hard was. Maar dis wat God self elke dag aan ons doen.

Ek dink dikwels aan hoe dit in Aliwal-Noord kan werk. Hier kan jy nie vir altyd kwaad bly vir iemand nie. Daar is net 'n handvol winkels, 'n paar bure, en min mense om jou op te tel wanneer jy val. Om kwaad te bly, maak uiteindelik net jouself seer. Om liefde

hier te weerhou gaan maak dat jy jouself ontnem van liefde van ander mense af.

God se liefde leer ons dus om anders te reageer. Waar ek dalk my broer wou uitoorlê of vermy, roep God my om eerder te kies vir vergifnis, vir genade, vir vrede. Want die vreugde wat ons in God vind, is soveel groter as die klein seer tussen mense.

Laat ons dan in ons huise, ons families en ons dorpe die liefde van God leef, nie net in woorde nie, maar in optrede. Laat ons vergewe soos Hy vergewe, omhels soos Hy omhels, en liefhê soos Hy liefhet. Want eendag, wanneer ons almal saam voor Hom staan, sal net liefde oorbly. ~ Ds. Niel Muller.

Prayer for November

Lord God, in this month of November, as the sun begins to warm and the days become longer and nature blooms, we take time to remember those people in our lives who have died. With the death of a loved one, a light goes out. Our lives seem darker without them. There is a light that can dispel the sadness of grief – the Light of Christ and belief in life everlasting.

We ask you to bless our memories of our beloved dead and comfort us in our sadness. We ask you to heal our hearts and give us the strength to go forward with our lives. We ask that you welcome our loved ones with open arms into your ever-loving presence.

Amen.

Arty Aliwal Eisteddfod 2025

Op Vrydag, 31 Oktober 2025, het van Hoërskool Aliwal-Noord se personeel en beheerliggaam, met trots hul ongelooflike talente ten toon gaan stel by Arty Aliwal se Eisteddfod — en watter fees van talent was dit nie by Perskehuis gewees nie. Pastoor Leon Moolman (*Beheerliggaam*) het die aand afgeskop met 'n briljante mimiek-optrede wat hom die prys vir beste dramastuk besorg het. Later het hy met sy pragstem ook 'n asemrowende duet saam met sy vrou, Elsa, gelewer. Lizé Fourie, ons sekretaresse, het gewys dat haar stem nie langer in die kantoor weggesteek mag word nie! Sy het Riana Nel se “Lord, You Know” gesing en dit was besonders mooi en vol gevoel.

Juffrou Jana Venter (*ons Engels Huistaal en Geskiedenis juffrou*) het die gehoor betower met haar engelstem en sy het “Run to the Father” deur Cody Carnes gesing. Haar gevoelvolle vertolking het die gehoor se hartsnare getokkel en het dus 'n stortvloed tranes by die gehoor ontlok! Juffrou Simoné de Nysschen (*ons Ingenieursgrafika en Ontwerp juffrou*), wie haarself leer kitaar speel het en ook geen formele sangopleiding gehad het nie, het die gehoor aan haar lippe laat hang met haar sielvolle vertolking van “The Night We Met” deur Lord Huron. Haar unieke stem het die gehoor se harte gewen en haar die gehoor se gunsteling gemaak. Hoërskool Aliwal-Noord is uiters trots op hierdie vier buitengewone mense wat hul

Godgegewe talente met soveel passie en nederigheid gedeel het. Moet nooit weer julle liggies laat dof skyn nie — die wêreld het dit nodig! Baie dankie aan die organiseerders van die puik geleentheid.

STERKSPRUIT CHRISTIAN PRIVATE SCHOOLS PRIZEGIVING CEREMONY: A DAY OF CELEBRATION

On October 30, 2025, Sterkspruit Christian Private Schools hosted its annual Prizegiving Ceremony, a vibrant celebration of academic excellence, sporting prowess, and cultural achievements. The event was attended by proud parents, guardians, and the school community, all gathered to recognize the hard work and dedication of our learners.

The ceremony kicked off with a stunning display of artwork by our learners, showcased in the foyer. The creative talents of our students were on full display, with a variety of pieces that showcased their artistic skills.

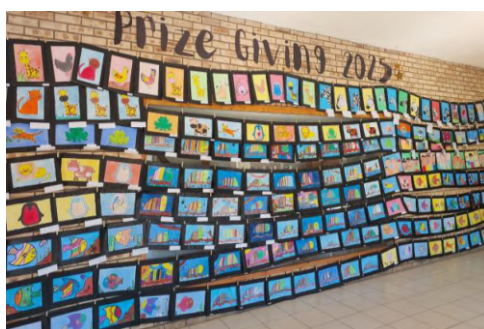

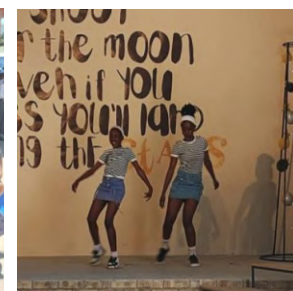

The day was filled with captivating performances, including poetry recitals by Tania (Grade 1), Kholo (Grade 3), Khayone (Grade 4), and Ntombi (Grade 11). Our dance groups, led by Mrs. Bosch, wowed the audience with their energetic and synchronized routines. Special highlights included performances by our Eisteddfod winners, Asemahle and Amzolele, and a show-stopping dance routine by the Grade 11 class. Our junior choir performed and melted our hearts with their sweet voices. It was wonderful to see all our academic, sports and cultural awards handed out.

The highlight of the day was the announcement of the Student Council for 2026. We are thrilled to announce the following learners will be taking on leadership roles: Head Girl: Ntombi Ibitoye, Head Boy: Shayaan Yousuf, Deputy Head Girl: Aluta Ndaba, Deputy Head Boy: Siyabonga Mda, Prefects: Nande Buda, Amkelwe Mkosi, Lesedi Mokoena, Resego Kehositse, Lathitha Ndungane, Paballo Gqiza, Inam Matrose, Asivuyise Hlanjwa, Warona Mokhothu, Thlompoto Motsoikha.

We extend our warmest congratulations to our new student leaders and their team. We have no doubt that they will excel in their roles and make a positive impact on our school community.

PRESS RELEASE

05 November 2025

Sondela Youth Festival Expands to a 3-Day Celebration of Unity, Culture, and Community

Maletswai (Aliwal North), Joe Gqabi District Municipality, Eastern Cape

Dear Media Partner

The ***Sondela Youth Festival*** returns bigger, brighter, and more inclusive than ever before — evolving into a 3-day celebration that transforms the entire town of Maletswai into a live stage of culture, music, art, and community pride. From **5–7 December 2025**, this year's festival embraces an expanded format that celebrates diversity, unity, and intergenerational participation. With an inclusive programme spanning music, heritage, street parades, sports, and family-friendly experiences, Sondela continues its mission to bring people together — across age, race, and background — in a shared space of creativity and joy.

A Festival with Purpose

The 2025 edition of Sondela builds on its reputation as one of the Eastern Cape's most anticipated youth and cultural festivals. It not only entertains but also stimulates local economic activity — supporting small businesses, artists, vendors, and service providers from across the Joe Gqabi District.

This year's expansion is made possible through strong partnerships with visionary sponsors such as Peugeot and Fiat, who have joined the movement in recognising the festival's role in shaping South Africa's youth and creative economy. Their commitment reflects a growing belief in Sondela as a symbol of unity, opportunity, and positive change.

Director's Vision: A Community-Wide Celebration

Speaking on the expanded format, Vuyo Sigonya, CEO of Kwa Afrika and Festival Director, said:

“This year we decided to take on a format that converts the whole of Maletswai into a live stage, integrating as much of the community as possible. This is not just important for the economic viability of an event like this but also for social integration. We are lucky to have a client like Joe Gqabi District Municipality, who continually looks for ways to remind the youth that they matter.”

Creative Direction and Artistic Excellence

To strengthen the overall production and artistic quality of the show, internationally acclaimed R&B singer, songwriter, and actor **Brian Temba** has been appointed as **Sondela's Creative Director**. His wealth of experience in music, theatre, and television brings a global standard of production to the festival, ensuring that every element — from stage design and lighting to storytelling and performance — reflects the highest level of creative excellence. Temba's involvement signals Sondela's commitment to elevating local experiences to international standards while nurturing South African talent within a world-class creative framework.

A Homegrown Star Leading the Movement

This year's festival also celebrates homegrown talent, with **DJ Supta** — a proud Maletswai native — as the official Face of Sondela 2025. His appointment marks a full-circle moment for the community, showcasing how local talent can rise to national prominence while staying rooted in their heritage.

Supta's involvement embodies Sondela's mission to inspire young people to dream boldly, stay authentic, and take pride in where they come from. His presence is not only symbolic but deeply motivational for a generation seeking representation and hope.

About Sondela

Hosted by Kwa Afrika as the implementing agent for the Joe Gqabi District Municipality, the Sondela Youth Festival is an annual celebration of youth, creativity, and community. The event continues to be a powerful platform for showcasing the Eastern Cape's cultural and economic potential through music, art, enterprise, and collaboration.

DA requests Provincial Treasury to investigate contentious Walter Sisulu Municipality lease-deal

Issued by Cllr Magda Botha – DA Walter Sisulu Caucus Leader
04 Nov 2025 in Press Statements

The Democratic Alliance (DA) in the Walter Sisulu Local Municipality has requested urgent intervention from the Eastern Cape Provincial Treasury over a long-term lease deal of key municipal assets. The deal involves assets, including the Aliwal Spa Holiday Resort, Buffelspruit Nature Reserve, and Oppie Bron Flats.

Over several months and through multiple Executive and Council meetings, the DA lodged repeated objections, highlighting serious procedural irregularities and political interference in the awarding of the lease. Despite this, every Council item was voted through by ANC councillors, while legitimate concerns were systematically dismissed. I have, therefore, written to Provincial Treasury, calling for an independent legal and forensic review of all contracts before any implementation to safeguard public resources.

The DA tabled sworn declarations from individuals who publicly distanced themselves and their entities from the purported consortium bidding for the lease. Despite this evidence of misrepresentation, the ANC majority continued to advance the process. At the Ordinary Council

Meeting on 30 September, Council, at the DA's request, resolved to defer the item pending an investigation and independent legal opinion on the tender process. However, at the Special Council Meeting on 31 October, the Municipal Manager provided only a limited legal opinion, without the required investigation, dismissing the DA's concerns and supporting declarations.

In a subsequent division vote called by the DA,

opposition parties voted in unison, but a narrow ANC majority pushed the item forward, disregarding the prior Council resolution to investigate.

The DA supports the principle of Public-Private Partnerships (PPPs) as a legitimate means to stimulate local economic growth and create jobs. However, such partnerships must be grounded in transparency, fairness, and strict compliance

with the law. Public assets must serve the public good and not private interests.

The DA remains steadfast in its commitment to lawful oversight and transparent governance. We will continue to ensure that the residents of the Walter Sisulu Local Municipality receive the accountability they deserve and that municipal assets are protected from financial and reputational harm.

MEDIA RELEASE NEWLY UPGRADED R70 MILLION SCHOOL IN TLOKOENG

MEC Fundile Gade (left) and JGDM Executive Mayor, Cllr Nomvuyo Mposelwa (right)

Tlokoeng, 1 November 2025 – Yesterday, 31 October 2025, marked a significant milestone for the Thabakhobelu community in Tlokoeng, Elundini Local Municipality, as Joe Gqabi District Municipality (JGDM) Executive Mayor, Councillor (Cllr) Nomvuyo Mposelwa and Eastern Cape Member of the Executive Committee (MEC) Honourable Fundile Gade, officially handed over the Matshaneng Primary School in Thabakhobelu, Tlokoeng in Elundini Local Municipality.

The R70 million newly upgraded school, built under the Department of Education's Accelerated Schools Infrastructure Delivery Initiative (ASIDI), accommodates 154 Grade 1 – 7 learners and boasts modern amenities such as an administrative building (362m²), 4-classroom building (240m²), 3-classroom and HOD building (195m²), science and computer labs, multipurpose center (103m²), nutrition center (290m²), 12 water tanks with stands, 589m of security fencing, ablution facilities and a netball court – amongst other facilities.

NN Architects were appointed by the Department of Education (DOE) - through the Independent Development Trust (IDT) - as the Principal Agent and construction began in June 2020, concluding in February 2025 with over 60 job opportunities created.

In her welcoming remarks, Cllr Mposelwa emphasised that the upgraded school is more than just bricks and mortar – it is a commitment to restoring dignity and transforming the future of rural learners. “When we invest in education, we invest in the soul of our nation. Education remains the single most powerful tool to break the chains of poverty, unemployment and inequality”, she said -

underscoring government's dedication to ensuring that every child, no matter where they are born, has access to quality education in a safe and modern environment. She further extended gratitude towards the DOE and the MEC, saying "your efforts align perfectly with our vision as the district municipality, which is to build an improved quality of life for all residents".

The Executive Mayor also commended the DOE and the IDT for their partnership in bridging the gap between rural and urban education through improved infrastructure, learner transport, and nutrition programmes.

In his keynote address, MEC Gade reminded the community to take care of the new facility. In addition, he urged parents and teachers to actively participate in the development of children and advised the learners to work hard. "Learning is a process of acquiring knowledge and skills. It is important for students to feel supported and guided on a daily basis", he mentioned.

Principal, Ms A Ranthamane-Ranamane, emphasised the importance of safeguarding the new school against acts of vandalism and theft. She also expressed appreciation to all stakeholders involved who made the opening of the school a success. "We are here to witness public service delivery and a clear indication that all spheres of government work hand in hand to provide better opportunities for our youth", she added.

The event also saw the donation of 20 blankets to the local elderly and 15 pairs of shoes to the school.

Tembisa Hospital Scandal: Where is the Accountability?

By Silverfox

Aliwal Weekly – November 2025

The R2 Billion Question

Tembisa Hospital is once again in the spotlight—but not for healing. A staggering R2 billion in corruption has been uncovered by the Special Investigating Unit (SIU), revealing a tangled web of fraudulent tenders, ghost suppliers, and systemic rot.

The Whistleblower Who Warned Us

In his explosive book *The Shadow State: Why Babita Deokaran Had to Die*, journalist Jeff Wicks chronicles how Deokaran flagged suspicious payments before her assassination. Her courage exposed a network of looting that continues to haunt South Africa's public health system.

"She saw the numbers. She spoke out. And she paid the ultimate price."

— Jeff Wicks, *The Shadow State*

Justice Delayed

Despite the SIU's findings, no arrests or convictions have followed. While 11 officials faced disciplinary hearings, many resigned before facing consequences. Alleged kingpins like Hangwani Maumela remain untouched, raising questions about the effectiveness of the Investigation Directorate Against Corruption (IDAC).

Patients Pay the Price

The hospital now borrows food and medicine from nearby facilities. Viral footage shows patients lying on floors, overcrowded wards, and exhausted staff. The community asks: Where did the money go?

What Can We Do?

- Demand transparency and justice from provincial leaders
- Support whistleblowers and investigative journalists
- Share factual, responsible information to raise awareness

Silverfox Speaks

This isn't just about one hospital. It's about a system that rewards silence and punishes truth. If we don't speak up, who will?

This article is based on public sources and official investigations. No guilt is implied without legal findings.
